

# Download The Pearl Sister Book Four The Seven Sisters 4

The Pearl Sister: Seven Sisters Book 4 is by Lucinda Riley. Lucinda Riley has outdone herself on this book. Her descriptions of Australia bring the heat and humidity right into the room with the reader. The story she uncovers about the pearl merchants and their attitude towards the aborigines is horrific. The Pearl Sister: Seven Sisters Book 4 is by Lucinda Riley. Lucinda Riley has outdone herself on this book. Her descriptions of Australia bring the heat and humidity right into the room with the reader. The story she uncovers about the pearl merchants and their attitude towards the aborigines is horrific. The Pearl Sister is the fourth installment of the planned Seven Sisters series, each book focusing on one sister. Pa Salt was a wealthy man who adopted six baby girls (yes six, not seven - why?) from all over the world and brought them up with love, luxury and opportunity at his lakeside castle in Geneva. The Pearl Sister is book 4 in a series of 7 but it stands alone and can be read out of sequence. The first book - The Seven Sisters lays the groundwork for the entire series and I read it first. The Pearl Sister follows the trail to try and learn the details of Pearl's birth and why she was adopted in the first place by Pa.
